The work of the Digital Photography Club of Annapolis members on display in Gallery 90

(PASADENA, MD, Feb. 22, 2019) — The work of members of the Digital Photography Club of Annapolis will be featured in an exhibit in **Hospice of the Chesapeake's Gallery 90**, the art gallery located throughout the nonprofit's administrative building on the John & Cathy Belcher Campus at 90 Ritchie Highway, Pasadena, Maryland. The exhibit will be on display from March 4 through May 3. An artists' reception will take place from 3 to 5 p.m. March 20 and will include light refreshments.

The club is a diverse group of photographers from beginners, hobbyists, serious amateurs, and professionals who love to take and share their photographs. It meets at Maryland Hall twice a month from September to June so that digital camera enthusiasts can share their work, hear from well-known local speakers, plan field trips and take part in photo exhibits at venues throughout the community. For details, visit <https://dpca.photoclubservices.com>.

Gallery 90 was established to realize the vision of creating a harmonious work environment for Hospice of the Chesapeake administrative staff and visiting nurses, caregivers and volunteers who work directly with patients and their families.

To register for the reception, or to schedule a private tour for your group, contact Renate Little at 443-837-1512 or rlittle@hospicechesapeake.org.
