**5 artists share their ‘Reflections’ in MFA show in Gallery 90**

(PASADENA, MD, May 9, 2019) — Every work of art is a moment captured in time when “it” resonated to the artist, compelling them to share its unique quality.

That is the idea behind “Reflections,” the theme of a new exhibit by the Maryland Federation of Art, now showing in Hospice of the Chesapeake’s Gallery 90, the art gallery located throughout the nonprofit’s administrative building on the John & Cathy Belcher Campus at 90 Ritchie Highway, Pasadena, Maryland.

The limited showing is on display through July 1 and features the work of five MFA members: Richard Niewerth, Maggie O’Leary, Angela Petruncio, Wil Scott and Kate Stillwell.

You can register now for a docent-led tour that will take place from 9 to 11 a.m. June 14 or schedule a private tour for your group by contacting Renate Little at [rlittle@hospicechesapeake.org](mailto:rlittle@hospicechesapeake.org) or 443-837-1512.

To realize the vision of creating a harmonious work environment for Hospice of the Chesapeake administrative and clinical staff as well as for visitors, caregivers and volunteers, the MFA and Hospice of the Chesapeake formed a partnership. The art on display also is for sale, with a portion of the proceeds benefiting both organizations. People can also see the art that is on display and make purchases via the online gallery at <https://mdfedart.com/mfaentry/salesgallery/index.php?event=157>.
