Medici: Text Your Doctors

3

When installed, open the app to begin set up. Make sure to allow notifications.

4

Set up account. You'll need to add your name, phone number, email address and birthdate.

5

Search for your doctor by clicking, "Find Doctor."

Type in doctors name, and tap *add*.

6

Once you add a doctor, your doctor will approve and then you can begin to message and arrange telehealth visits.
