The Grateful Hearts Society Monthly Giving Program

Hospice of the Chesapeake's Grateful Hearts Society is for people like you who care about our community – people who believe in our mission of caring for life throughout the journey with illness and loss. They are kindhearted individuals who commit to monthly or quarterly gifts, spreading their generosity over the course of the year, creating a continuous and consistent impact.

Your recurring donation will be put to immediate use to provide compassionate, leading-edge hospice, supportive and bereavement care. Your gift also supports programs that Medicare and private insurance do not cover, like integrative healing and music therapy, grief and bereavement counseling for the entire community, specialized support for Veterans, and unique children's programs.

As a member, you'll be included in special invitations for events. You will receive annual updates about how your donation makes a difference, and the direct impact of your support. You will enjoy the ease of making secure and automatic monthly donations from your credit card or bank account, with the flexibility to stop or pause at any time.
