

**Learn About Topics Relevant to Life After Cancer Treatment  
and Build a Network of Fellow Survivors**

# Survivorship Speaker Series

**Come together monthly with other community survivors for interactive sessions that aim to improve your well-being and resilience.**

The Survivorship Speaker Series hosted by the Tate Cancer Center at UM BWMC brings community survivors and local subject matter experts to lead sessions on topics ranging from physical and emotional well-being to financial wellness.

Learn more at [umbwmc.org/survivorshipservices](https://umbwmc.org/survivorshipservices).

Most classes will be offered in person and virtually. The in-person location varies. Check the schedule for more details.

Registration is required to gain access to the virtual session link and as in person space is limited.
