A SHARED PURPOSE: MOMENTS THAT MATTER

Our Vision: Caring and helping people and their families living with progressive, serious illness to reimagine hope—living each day with intention and peace—while ensuring our not-for-profit organization is here to serve future generations.

Why Your Kindness Matters

Your support ensures expert compassionate care and helps create life-affirming moments—a birthday celebration, a holiday to remember, important conversations with family—to create cherished memories. What's more, your generosity addresses the financial gap between what insurance covers and the programs we believe create meaningful experiences for those living with illness and loss.

Your support ensures that our families have:

- Timely access to supportive and hospice care.
- More healing practices for the community at Burnett Center for Hope & Healing in Prince Frederick.
- Uniquely designed programs and honor salutes for every veteran in our care.
- Expanded grief care to support families living with loss, including specialty programs for children and teens.

Thanks to you, no one is turned away regardless of their inability to pay.

As always, proceeds from this event support programs and families in Calvert County.
