Serious Illness, Loss, and Grief Are Hard.

You Make the Journey Softer.

When life brings its most difficult challenges, caring donors like you transform lives—advancing care that soothes and uplifts during times of serious illness, loss, and grief. Because of you, no one in our community walks alone.

Your generosity fuels wrap-around care that supports the whole person—mind, body, and spirit. Through counseling, support groups, and integrative arts, families find a way forward. Through your compassion, children and teens honor memories and feel connected again.

Every dollar you give strengthens our community's health programs—bringing comfort to families in crisis, helping children navigate grief, supporting caregivers, and honoring veterans. With our patient and family-centered care we help loved ones with decision-making at each stage. Together, we're building a community where care, compassion, and connection thrive.

Community Health Programs

- Individual and family counseling sessions before, during, and after a loss
- Emotional and spiritual support for patients, caregivers, and families
- Grief support groups and programs for children, teens, and adults
- Grief camps for children and teens where they connect with others who understand
- Healing arts such as Compassionate Touch massage, reiki, and music, art, nature-based and pet therapies
- Living with Loss Through the Holidays programming
- Annual remembrance services and family-focused healing events

*Thank you for bringing hope and healing
